Spring2 2026

Dear Parents and Carers,

As we come to the end of a very busy half term, I would like to wish all of our pupils, families and staff a wonderful and restful Easter break. It has been a period of tremendous hard work and commitment from both pupils and staff, and I am incredibly proud of how everyone has contributed to Primrose's continued journey of growth. We are also continuing to work closely with the Local Authority SEN team to ensure the best possible placements for pupils with EHCPS, and we appreciate your patience and understanding as this important work continues. Wishing you all a happy and relaxing Easter. We look forward to welcoming our pupils back refreshed, ready for the Summer term.

INDIVIDUAL LIBERTY

As stated in the Home/School agreement we expect pupils to take pride in wearing a uniform at Primrose.

Your child can either wear their existing school's uniform or black joggers/trousers/ leggings/skirt, black jumper, white t-shirt and black shoes/trainers.

We will be reaching out to those families who's children do not present in uniform to offer support.

Last year the Government and the Department for Education announced that 2026 will be celebrated as the National Year of Reading, a country-wide initiative to encourage both children and adults across the UK to read for pleasure. The campaign is being run in collaboration with the charity, the National Literacy Trust, alongside support from publishers and organisations throughout the UK.

Mrs Broom has worked very hard this year to help promote this ‘love for reading’. We have a new Library area and accessible books across the Centre. Children read daily at Primrose and then develop their skills either through their Phonics or Reading lessons. All children now have home reading books to share with you. We have tried to make sure all pupils can read their home books independently ensuring it makes it an enjoyable experience for you all. If you want any support there is a parent guide on Class Dojo.
