# Autumn 1 2025

Dear Parents and Carers,
We would like to take this opportunity to welcome you all to this academic year! We have already received many new pupils into the centre and they are settling in well. A big thank you to our existing pupils who have been very welcoming to them. We have lots of exciting things happening this year, starting with our new curriculum. Mrs Broom has worked incredibly hard on this and the children and staff seem to be enjoying it. For further information on our new curriculum please visit our website.
As always we fully appreciate the transparency from our parents and the collaborative approach we create to help support our young children and we look forward to continuing this with you this academic year.
Mr Roadknight

## Fire Engine visit

The fire people came to visit. To begin with, they told us where their station is and that they work for Sandwell. We tried on the firefighting gear- it smelt! We lined up outside and they started to explain the tools and show us the engine. One tool was called the 'hooligan'- funny right? They asked us to guess how tall the ladders were and we had a chance to use the hose- it is so powerful! The fire brigade had to leave early because they were called to an emergency- it was amazing to see how fast they changed and packed away the equipment!
